

Topic: Wild Things!

Science

Across the two terms we will become little scientists! We will begin by looking for 'wild things' down in the woods. We will be identifying the names of a variety of common animals, fish and amphibians. We will then be sorting animals into groups of herbivores, omnivores and carnivores. We will also be thinking about our own 'wild thing' pets at home and how we care for them.

To fit with our 'wild things' topic we will also be looking at our own bodies! We will be learning about the different parts of the human body and how we can keep fit and healthy. The children will also be exploring their senses and how they help us to survive.

If you have any interesting resources or skills and knowledge linked to either animals or the human body then please let us know!

Wild Things Term Three and Term Four Year One

Maths and English

Maths

This term we will be extending our calculation skills to division and multiplication. We will also be exploring shape and refreshing our number and addition and subtraction skills.

I will produce another guidance sheet in more detail about this.

Literacy

We will begin the new year by learning all about Emperor Penguins! We will begin by reading the book 'The Emperor's Egg'. The children will then write their own fact books about Emperor Penguins. We hope that we will be able to share them with you when they are ready :)

We will continue to work on our key signs of success for writing. These are capital letters, full stops and finger spaces. We will also challenge ourselves to use wow words, story language and time words.

PE

The Christmas term was very busy! So we will continue to develop our gymnastic skills. To fit with our science topic we will also be designing our own exercises to use different parts of our body.

D and T

We will be designing our own healthy meal and thinking about where our food comes from.

Geography

The children will be learning about what life is like in the Antarctica.

Art

We will be creating our own 'wild things' thinking about colour and pattern.

RE :Easter and Hinduism

PSHE: Working well together and celebrating each other.

Music

The children will continue to have weekly music sessions with Mrs Joliffe.

French and ICT

Madame Kossmann will continue to take class one on a Tuesday afternoon :)
